

Academic Fields and Majors Available for KNB Indonesian Government Scholarships

Master's Degree Program

Faculty	Study Program
Science & Analytical Data	Physics
	Chemistry
	Biology
	Mathematics
	Statistics
	Informatics
Intelligent Electrical and Informatics Technology	Electrical Engineering
	Information System
	Civil Engineering
Civil, Planning, and Geo-Engineering	Architecture
	Environmental Engineering
	Geomatics Engineering
	Ocean Engineering
Marine Technology	Marine Engineering
	Engineering Physics
	Mechanical Engineering
Industrial Technology and Systems Engineering	Materials and Metallurgical Engineering
	Chemical Engineering
	Industrial Technology and Systems Engineering

Doctoral Degree Program

Faculty	Study Program
Science & Analytical Data	Physics
	Chemistry
	Mathematics
	Statistics
Intelligent Electrical and Informatics Technology	Computer Science
	Electrical Engineering
Civil, Planning, and Geo-Engineering	Civil Engineering
	Architecture

Faculty

Marine Technology

Industrial Technology and Systems Engineering

Study Program

Environmental Engineering

Ocean Engineering

Marine Engineering

Engineering Physics

Mechanical Engineering

Chemical Engineering

Industrial Technology and Systems Engineering
